Where We Are:

LifeChild is in a season of *progress*. Over the past few months, we have been able to network with other missionaries, engineers, and contractors who are committed to giving LifeChild their full support and attention. Because of your support, LifeChild to date has:

- Found and purchased land
- Raised funds to build 1st home
- Expanded U.S. board of directors
- Established Asian foundation and board of directors
- Gained local Filipino church support and established relationships
- Completed architectural plans for our homes
- Fed thousands
- Gave medical supplies, clothing, toys, and Bibles to those in need
- Established a draft for our operations manual

Please Pray For:

- Completion of our operations manual
- Continued networking
- Continued financial support
- The future children of LifeChild
- Protection for our Filipino board of directors
- Strength and perseverance to overcome obstacles
- Clarity in the decisions we make as we progress

We covet your prayers!
